

OCTOBER 2021- Mobility to Italy
STUDENTS' WORKSHEET

MONDAY 4th October		
9—10	Welcome to the school; Introductions; Presentation of the programme of the week	
10 - 11	School visit Attending classes Break	
	TOPIC	GOAL
11- 12	Compare the way in which lessons take place in Italy to the way lessons take place in your country. What are the similarities and the differences? Share opinions and information	Make a list of the main similarities and differences.

TUESDAY 5th October		
	TOPIC	GOAL
9 - 10.30	How did the tutors and the tutees join the project in your country? Any difference in recruiting before and after the pandemic?	List shared ways of recruiting tutors and tutees, both at school and on line.
10.30- 10.45	Break	
10.30- 12.00	Did you notice any changes in your tutee when school switched from fully-at-home to alternate weeks at school? If so, what were they? Do you think that distance learning is equally effective for this project? Do you think that your tutee felt more comfortable with remote or live teaching?	Make shared notes about the topic and list good practice to help tutees deal with distance learning or alternate weeks at school.

THURSDAY 7th October		
	TOPIC	GOAL
9 - 10.30	Did the school give you any guidelines on how to manage meetings before starting to work with your tutee? How did you organize and manage meeting your tutees? What were the main difficulties your tutee expressed to you? How did you and your tutee deal with the problems in scientific subjects? How did you and your tutee deal with the problems in other subjects? Such as history, English and so on... Did your tutee have problems with their classmates or with the teachers? If so, how have you dealt with them?	Make a list of shared good ways of managing tutoring.
10.30- 10.45	Break	
10.30- 12.00	Was it easy to communicate with your tutee or were there any difficulties? Any difference between online meetings and live ones? What about the relationship with your supervisor?	Highlight the features of good communication.

FRIDAY 8th October		
	TOPIC	GOAL
9 - 10.30	Reconsider all the topics you went through over the last few days. Consider what worked well and should be continued and what didn't work at all and should be avoided	Make a list of good practice to experiment during tutoring until next mobility, considering all the different sides of the project.
10.30- 10.45	Break	
10.30- 12.00 With teachers	During this mobility experience, have you had the chance of learning something about yourself that you didn't know before? Did this experience make you grow in any way? If so, how? Would you recommend the experience to other tutors?	Share opinions Answer the online form
